

Frogmore Junior School

Weekly Bulletin

Issue: 15 Date: 21/12/2017

Dear Parents,

It's the final day of term and I just wanted to add a few extra notes of appreciation:

Thank you to the whole staff team. They work really hard and behind the scenes there is so much effort by all to try and make every aspect of school life as good as it possibly can be. I feel very proud to be part of such a strong, committed team. We put the children at the heart of everything that we do and the results are becoming clearer every day.

Thank you to the Infant School for all of their support, and Mrs King who has helped Frogmore to feel like home for me in such a short time.

Special thanks go to our CEO, Sue Samson and Chair of Governors, Bob Griffin. The support and guidance from the University of Chichester is second to none – their valued contribution and commitment to our school has been nothing short of inspirational. All our governors are making a difference and adding value to education here at FJS. I am very grateful for the time that they give to our school.

Thank you to you, as parents – without your help and support we can't create the school that we all want Frogmore to be. I am so grateful for the way that you have welcomed me into the Frogmore community. Through events such as assemblies, reading, volunteering, homework, or attending any of the meetings that we hold we help our children to grow and develop. It all adds up.

Above all, thank you to the children: they have represented our school in an exemplary way at every given opportunity. They have made rapid progress during this term and they have responded well to the high expectations that we have set. There are many reasons to feel proud of our wonderful Frogmore children. They are real stars and I am happy that they are getting the chance to shine.

Have a fantastic Christmas and New Year.

Best wishes,

Mr McCarthy
