

Frogmore Junior School

Weekly Bulletin

Issue: 14 Date: 14/12/2018

Dear parents,

In partnership we do our best for Frogmore pupils. The curriculum is about intent – knowledge, skills, understanding and values; we plan learning over time and then assess the impact of what we are doing, adjusting as we go along. However, sometimes it is the unplanned that can teach us some of the most important lessons of all.

Sadly, one of our parents, Mr Jason Hurst, passed away unexpectedly last week. He was known to us all at school through his supportive and creative projects – we still admire the H G Wells inspired tripod spaceship that is proudly on display in Maple Class; we were always grateful for his thoughtful contributions to the school. I believe that everyone is united in their wish to offer condolences and the message to Violet and family that we are here for you if you need us.

Mrs Hurst would like to extend her thanks to the whole community for their thoughts, wishes and support at this difficult time.

Time is so precious.

With best wishes,

Mr C M McCarthy
Headteacher

PE kits

Children will be bringing home their PE kits at the end of next week to be washed over the holidays. We would be grateful if all children can return to school with their clean PE kits (shorts, house t-shirt and trainers/pumps) on the first day of the spring term.

Lost Property

Please can parents look in the lost property boxes in reception for jumpers etc. before the end of term. Any remaining items not claimed by Friday 21st December will be donated to the clothes bank.

Y3 Runway's End

If your child wishes to attend the residential trip to Runway's End next summer, please can we remind you the forms and deposit need to be received by Monday 4th February 2019.
